To be eligible for a full or partial refund of your Treasury Offset Program (TOP) payment:

- You must be in an active voluntary repayment plan. If you are not in a repayment plan, contact the Premiere Credit of North America LLC at (855)587-9041.
- You are only eligible for **one** hardship refund for offset taxes. If you have been approved for a hardship refund in the past, you will not be eligible for further hardship refunds.
- You must have received notification from the U.S. Department of the Treasury advising you that your federal or state tax payment has been applied to a defaulted federal student loan(s) held by Louisiana Office of Student Financial Assistance. **Do not** submit this application until you have received this notification. Please include a copy of the notification along with your completed application.
- You must be experiencing a hardship specifically for the criteria below. If your situation does not fall into the criteria listed below, you are not eligible for a hardship refund.
- You **must submit** the completed form, the required supporting documentation and the notification from the U.S. Department of the Treasury. Incomplete forms or missing/invalid documentation will result in a denial of your request for refund.

Please allow 30 days for review of your application. You will be notified in writing of the determination of your hardship refund request.

If you are approved for a refund, you will be refunded up to the amount of the eligible hardship reason and documentation submitted. You might not be approved for the total amount of the tax offset or the total amount you are requesting in your eligible documentation. If approved for a hardship refund, your loan balance will increase as a result. You will not be eligible for any future hardship refunds should you be offset.
